2           **1.** Page 359, line 1: after that line insert:

3           “(2q) ENCOURAGING THIS STATE’S EXECUTIVE BRANCH TO ESTABLISH A SISTER-STATE  
4           RELATIONSHIP BETWEEN WISCONSIN AND THE CAP VERT REGION OF SENEGAL.

5           (a) The legislature finds that:

6           1. African American residents of Wisconsin are developing trade, commerce,  
7           and cultural ties with the Senegalese people.

8           2. Goree Island, which is located in the Cap Vert region of Senegal, was the  
9           debarkation point for African slaves bound for American shores, which makes it  
10          extremely likely that there are African Americans currently residing in Wisconsin  
11          who are descendants of people from that region.
